They've gone. You can't get away with it. Make them pay. I am going to make them pay. Not just for me but for all the other kids. All that other kids that they broke caused all this suffer. That they caused all this suffer. That they broke the mirror and all I see is the pain of ALL OF US. All of us suffer in time. Can't move on. Can't move forward. Can't keep on slipping back. Again again again keep slipping back. Again again again again
